RE: Compliance with FAA/DOT Drug/Alcohol Random Testing Regulations

To Whom It May Concern:

This letter will certify that, as a Consortium/Third Party Administrator (C/TPA), Northwest Drug-Safe manages the Federal Aviation Administration (FAA), US Dept. of Transportation (DOT) random testing program for **Metal Innovations, Inc.**, 2820 25TH ST SE, SALEM, OR 97302-1143.

With regard to random selections and client guidance, Northwest Drug-Safe is familiar with and follows the requirements of 49 CFR Part 40, "Procedures for Transportation Workplace Drug and Alcohol Testing Programs," as well as FAA regulation 14 CFR 120, "Drug & Alcohol Testing Program."

Metal Innovations, Inc. employees who fall under FAA requirements are currently subject to quarterly selections from a standalone random pool administered by Northwest Drug-Safe, using a computer program specifically designed for use by DOT program managers. The minimum annualized random testing rates for the Metal Innovations, Inc. pool are 25% for drug testing and 10% for alcohol testing for calendar year 2024.
